AddToAny Share Buttons

https://wpdemo.net/demos/plugins/add-to-any

The AddToAny Share Buttons plugin for WordPress increases traffic & engagement by helping people share your posts and pages to any service. Services include Facebook, Twitter, Pinterest, WhatsApp, LinkedIn, Tumblr, Reddit, WeChat, and over 100 more sharing and social media sites & apps.

AddToAny is the home of universal sharing, and the AddToAny plugin is the most popular share plugin for WordPress, making sites social media ready since 2006.
