

# Page Builder Gutenberg Blocks

<https://wpdemo.net/demos/plugins/coblocks>

CoBlocks is the most innovative collection of page building WordPress blocks for the new Gutenberg WordPress block editor.

With additional blocks and true row and column building, CoBlocks gives you a true page builder experience for Gutenberg.

CoBlocks is powerful but lightweight: it adds functionality to the WordPress editor without bloat. This is the plugin you've been waiting for, and it will make you rethink what WordPress is capable of.

CoBlocks is the last page builder you'll ever need: you get a winning mix of additional WordPress blocks, and page builder functionality. With CoBlocks you have everything you need to make beautiful web pages with the new block editor:

- Accordion Block
- Alert Block
- Author Profile Block
- Carousel Gallery Block
- Click to Tweet Block
- Collage Gallery Block
- Counter Block (New!)
- Dynamic Separator Block
- Events Block
- FAQ Block
- Features Block
