

Google Analytics

<https://wpdemo.net/demos/plugins/googleanalytics>

Monitor, analyze, and measure visitor engagement for your site directly from your WordPress dashboard with our Google Analytics plugin. With our Google Analytics dashboard, you'll be able to conveniently access Google Analytics reports in the same interface you already use every day to write and manage your posts.

Unlike other plugins, there are no monthly fees or paid upgrades for this plugin. All of the features are 100% free.
