

Hestia

<https://wpdemo.net/demos/themes/hestia>

Hestia is a modern WordPress theme for professionals. It fits creative business, small businesses (restaurants, wedding planners, sport/medical shops), startups, corporate businesses, online agencies and firms, portfolios, ecommerce (WooCommerce), and freelancers. It has a multipurpose one-page design, widgetized footer, blog/news page and a clean look, is compatible with: Flat Parallax Slider, Photo Gallery, Travel Map and Elementor Page Builder . The theme is responsive, WPML, Retina ready, SEO friendly, and uses Material Kit for design.
