Rife Free is a great portfolio and photography WP theme with 7 ready-to-use demo layouts. It is also perfect for business, blogging websites and for your shop because it is WooCommerce compatible. More cool features in the Rife theme are the: ✓ Writing Effect ✓ One Page Mode ✓ Mobile/Touch Friendly Image & Video Slider ✓ Bricks Gallery for Photographers ✓ Mega Menu ✓ Post Grid ✓ Google Fonts ✓ Hidden Sidebar and many more. Over 450 options to change in the Customizer and much more in each page, post, album or work. We also integrate Schema.org which helps your website be more visible to search engines. Elementor compatibility will help you make your great website even more natural. The theme is RTL and translation-ready (WPML).
