

SiteOrigin Widgets Bundle

<https://wpdemo.net/demos/plugins/so-widgets-bundle>

The SiteOrigin Widgets Bundle gives you a collection of widgets that you can use and customize. All the widgets are built on our powerful framework, giving you advanced forms, unlimited colours and 1500+ icons.

Widgets are great. No matter where you're using them. In a Page Builder page or on your widgetized areas. It's even compatible with other popular page building plugins.
