WHO IS THE WEBBA BOOKING PLUGIN FOR?

Webba Booking is a powerful WordPress booking plugin built for businesses and professionals who need a reliable appointment booking, scheduling, and reservation system. Whether you provide services online or in person, Webba helps you accept bookings 24/7, avoid double-bookings, and manage your schedule with ease.

- **Salons and Beauty Professionals:** Hair salons, nail salons, yoga studios, pilates studios, barbershops, spas, massage therapists, tattoo and piercing studios, tanning salons, cosmetologists. Webba provides automated reminders so clients never miss appointments, secure online payments to confirm bookings, and calendar synchronization to avoid double-bookings.

- **Consultants and Business Professionals:** Coaches, lawyers, psychologists, bookkeepers, financial advisors, wedding planners. Consultants love features like recurring appointments for regular clients, group bookings to handle sessions efficiently, and Zoom integration for virtual meetings.
- **Healthcare and Medical Providers:** Doctors, dentists, therapists, nutritionists, clinics, physiotherapists, homeopaths. Healthcare professionals use custom booking forms and secure data management to handle appointments while staying GDPR compliant.
- **Education and Training:** Tutors, language schools, play rooms, private teachers, driving schools, music instructors. Education providers benefit from availability calendars, group class bookings, and automated reminders to manage lessons and keep students informed.
- **Fitness, Sports and Gyms:** Yoga instructors, personal trainers, dance studios, fitness classes, golf lessons, sports coaches. With Webba, fitness professionals can accept bookings around the clock, offer discount coupons, and send reminders to maximize attendance.
- **Coaching and Online Services:** Life coaches, online consultants, therapists, digital service providers. Coaches appreciate Webba's virtual session booking, secure payment integrations, and easy-to-use scheduler that lets clients book from anywhere.
- **Personal and Professional Services:** Photographers, cleaning services, catering, automotive repairs, event planners, musicians. Webba's straightforward booking system, calendar view, and automated notifications handle scheduling so providers can focus on delivering quality service.

OUR CUSTOMERS LOVE US!

We are proud to have near perfect 5/5 score on both [WordPress](#): and [Trustpilot](#):

- "The customer service for this **plugin is phenomenal!**

  The customer service for this plugin is absolutely second-to-none. I'm blown away by how good they are!" – R.Tyrrell

- "I've been using the plugin quite some time now and I'd say it's **the most user-friendly booking-plugin on the market.** Easy to setup and a nice clean, modern layout! Support is also great. I had an issue with locking dates and it was solved within a few hours. Good job guys!" – losboeros

- "Webba support is nothing like what you have experienced in your earlier life and everything you are hoping to have with a product. The response times, the professionalism, the friendliness… you name it, they have it. **Easiest seven star review I have given!"** – Webba Customer

- "This plugin is awesome and it can accomplish anything your business needs! OMG the support is NUMBER 1!!!! I will refer this plugin to everyone and let them know **the support is just awesome**. I am very pleased with everything!" – jbiento
