So you're looking for a better way to manage WordPress websites? We have you covered! ManageWP is a dashboard that helps you save time and nerves by automating your workflow, so you could focus on things that matter. It is fast, secure and free for an unlimited number of websites.

## **EVERYTHING IN ONE PLACE**

Just the hassle of logging into each of your websites is enough to ruin your day. ManageWP compiles the data from all of your sites on one dashboard, so you can check up on your websites in a single glance. And if you need to take a better look at a particular website, you're just a click away.
